## KISS THE GIRLS GOODNIGHT EBOOKS 2019

Author: Gado Mark

Release Date: Expected @@expectedReleaseDate@@

Reminiscent of *The Silence of the Lambs*, *Kiss the Girls Goodnight* is a frightening story of a wealthy real-life collector of girls. Everyone who knew him understood he was strange, but even his wife and three sons thought he was just a harmless eccentric who collected empty bottles and junk. No one was especially surprised when he built a bomb shelter attached to his basement. How could anyone, even his faithful wife, dying a slow death from cancer in the house above--imagine that the shelter was really a bleak dungeon where he imprisoned and raped the girls that he kidnapped? Even more chilling was the skill with which he selected his victims, enticed them into his house, and methodically enslaved them so that they were too frightened to defy him or try to escape.
