□ This story is a tragedy, and not just because of what's happening to the people of Kivalina. It's a tragedy because it's unnecessary, the product, as the author shows, of calculation, deception, manipulation, and greed in some of the biggest and richest companies on earth." u003cbr /u003e□ Bill McKibben, author u003ciu003e Earth: Making a Life on a Tough New Planet u003cbr /u003e u003cbr /u003e "Christine Shearer's u003ciu003e Kivalina: A Climate Change Story u003cbr /u003e is a fast and bumpy ride that begins with the history of outrageous corporate deceptions through public relations and legal campaigns, continuing with building of the coal-and-oil empire to fuel progress in the United States, leading to the horrendous politics of climate crisis, and finally arriving at its destination, a ground-zero of climate refugee, Kivalina □ An Inupiat community along the Chukchi Sea coast of arctic Alaska. I was angry when I turned the last page. I urge you to get a copy, read it, share the story, and join the new global climate justice movement." □ Subhankar Banerjee, photographer, writer, activist, and author of u003ciu003e Arctic National Wildlife Refuge: Seasons of Life and Land u003cbr /u003e u003cbr /u003e While corporate funded scientists continue their effort to spread doubt about global climate change, for one native village in Alaska, the price of further denial could be the complete devastation of their homes and culture. Kivalina must be relocated to survive, but neither the oil giants nor the government have proven willing to take responsibility. u003cbr /u003e u003cbr /u003e Christine Shearer u003cbr /u003e is a writer, journalist, activist, and academic. She is the environment and ecology editor of Economy Watch, and managing editor of the online progressive magazine Conduive.
