Knowledge Survives is a touching story of Rakesh Awasthi, a poor boy from Allahabad, who reluctantly agrees to appear for the IIT entrance exam to please his father. Successfully clearing the entrance exam, he moves to IIT Mumbai. Touched by the plight of underprivileged kids, he does everything within his power, and through various ingenious ideas raises funds and schemes to help thousands of kids to pursue their education. At IIT Mumbai, he falls in love with Sapana Joshi, a Maharashtrian girl. Both families oppose the relationship for their own reasons, but after plenty of cajoling, and convincing their parents, Sapana and Rakesh get married. But within weeks of their marriage, things take a dramatic twist and Rakesh is wrongfully imprisoned for life. At the first opportunity, Sapana's father takes her home and forces her to re-marry a boy of his choice. What follows is a life of struggle, emotion and twists. Will Rakesh and Sapana ever meet?
